

Gauntlet Style Fingerless Gloves

I needed a gauntlet style glove for my Harley Quinn costume and couldn't find any that I loved. So I made up my own and fitted it to myself.

Materials Needed:

Medium Weight Yarn (I prefer Caron Simply Soft) in any color (I used red and black for my costume)

4.5 mm Crochet Hook

Pattern:

ARM

1. Ch 31
2. SC in second chain from hook and all the way across (30 sts), Turn, Ch 1
3. (SC across [30 sts], Turn, CH 1)x26
4. Fold piece in half and SC up the seam to join and form a tube. Only SC 20 stitches and leave 10 stitches unjoined. (This will be the cuff end of the fingerless gloves)
5. Edge the cuff end of the glove with one row of SC. (ends up being 50 stitches). Tie off the yarn.

HAND

6. Join yarn at other end of tube (hand end) 7 stitches away from the center line (the line the V part of the cuff is on). Make sure to pay attention and count 7 stitches to the left for the left hand glove and 7 stitches to the right for the right hand glove...and SC 28 stitches around, join with a SL ST to the first SC, CH 1, Turn.
7. SC 28, Join with a SL ST, CH 1, Turn.

8. SC 28, Join with a SL ST, CH 1, Turn.
9. 2SC in first st, SC in next 26 sts, 2 SC in last stitch, Join with a SL ST, CH 1, Turn
10. (SC 30 stitches around, Join with a SL ST, CH 1, Turn)x3
11. (SC 30 stitches around, DO NOT JOIN), CH 1, Turn)x7
12. 2 SCtog, SC in next 26 sts, 2SCtog, DO NOT JOIN, CH 1, Turn
13. 28 SC, DO NOT JOIN, CH 1, Turn
14. 28 SC, JOIN with a SL ST, CH 1, Turn
15. (28 2SC, Join with a SL ST, CH 1, Turn)x3
16. 28 SC, Join with a SL ST, tie off.

Thumb

1. Join yarn at any stitch on the thumb hole.
2. SC 20 stitches around the thumb hole.
3. Tie off.

CUFF

1. Join yarn at "v" area of cuff.
2. SC 50 stitches around the edge of the Cuff, join with a SL ST to the first SC.
3. CH 1, SC in first stitch, HDC in next 48 sts, SL ST in last stitch, Join with a SL ST to the first SC, Tie off.
4. Weave in ends.

SPECIAL NOTES:

You can always add rows in the hand area (I suggest in the step 15 area) if you have longer hands than me. And you can always add a couple of rows in the arm area (I suggest in the step 3 area of the Arm) if you have wider arms than me. Just remember to keep track of where you add the

stitches because it will change the stitch count in other areas. I.E. one extra row in the arm area means the hand area will start with 29 stitches around rather than 28. Just make sure that if you add rows you change the stitch count by the number of rows you add in any area that that change will affect.
