

OctoCowl

Yarn: Drops Merino Extra
Fine - 2 skeins
Needles: 4 mm circulars

CO 80 sts, and work in the round, k2, p2,
until it measures 12 cm (or to desired
length).

Continue working in the round, using
stockinette.

1.round: k10, YO, repeat throughout the
round.

2.round (and every even numbered rounds):
Knit

3. round: k11, YO, repeat throughout the round.....

Continue increasing sts like this, knitting one more before YO each time, until you have 160 sts.
From now on, every octo arm will be knitted one at a time, in stockinette.

K18, k2tog. Turn work, and purl all sts. K17, k2tog. Turn work...

Continue to decrease like this until you're left with 3 sts. Slip one, k2tog, pssso. Kut the yarn, pull all the way through, and fasten.

Repeat on all 8 arms.

The cowl will need a good blocking when its done.

**Happy knitting, and thank you for using
this pattern!**
