This scarf stays perfectly around your neck by using the keyhole. The middle section is wider so your shoulders stay warm too and you can also create a little collar.

## This is what I did:

Cast on 3 stitches (needle size 5.5 mm).

Row 1: Knit in front and back, K1, Knit in front and back (5 st)

Row 2: Knit

Row 3: K1, Knit in front and back, K till last 2 stitches, Knit in front and back, K1

Row 4: Knit

Repeat row 3 and 4 till you have 31 stitches.

Knit in garter stitch till 13.5 cm then change to smaller needle (dnp 4.5 mm).

Divide stitches: \* K1, put 1 st on safety pin behind the piece \* , repeat from \* till \* until end of row. Half of the stitches are now on the dpn and half of the stitches on the safety pin.

Rib across the stitches on the working needle by \* K1, P1 \*repeat this till end of row for 14 rows.

Break yarn, rejoin yarn and rib across the stitches on the safety pin (put the stitches first on the dpn). For 14 rows.

Put the 2 pieces together again by knitting 1 st from safety pin and 1 stitch from the working needle until all stitches are back on the needle (31 stitches).

Change needles to 5.5 mm.

Knit 4 rows.

Then increase every 6th row 1 stitch in the begin and 1 stitch at the end of the row ( K1, M1, K till last stitch, M1, K1).  
Till you have 43 stitches.

Knit 20 cm (counted after last increasing).

Decrease every 6th row by K2tog in the begin and end of row (K1, K2tog, knit till last 3 stitches, K2tog, K1).  
Till you have 31 stitches left on your needle.

Divide stitches, change needles to 4.5 mm dpn, rib both pieces for 14 rows and rejoin (all as written above).

Change needles to 5.5 mm and knit for 7 cm (22 rows).

Then decrease by:

Row 1: K1, K2tog, K till last 3 stitches, K2tog, K1

Row 2: Knit

Repeat these 2 rows till last 3 stitches.

Cast of.

**Finishing:** weave in ends
