

ARABELLA

By Anni Design

Needed:

5.5mm/US9 needles
2 100gr skeins of Manos del Uruguay Silk Blend
Stitch marker (optional)

Tension:

Not important but should be loose.

Size:

Length – 37in/94cm
Width – 72in/182cm
Measurements are before blocking.

Pattern notes:

Triangular shawl knitted from the top down with increases along each side and the centre spine shaping the shawl.

This shawl can easily be made larger or smaller. It can also be knitted in any yarn weight on any size needles.

Abbreviations:

K – knit
CO – cast on
st(s) – stitch(es)
R – row
Rep - repeat
yo – yarn over (take yarn to the front between needles, then over right needle to the back and continue knitting)
k3w – wrap yarn 3 times around needle for each knit st.
pm – place marker
sm – slip marker
RS – right side row
WS – wrong side row

Techniques:

K3W: Knit next st, wrapping yarn 3 times around needle. These extra wraps will be dropped on the following row, creating an elongated st.

I recommend placing a stitch marker before the centre st to help you remember to do the yarn overs either side of the centre stitch (spine).

Pattern:

CO 5 st.

Set up rows:

R1 – k2, yo, pm, k1 (spine st), yo, k2

R2 & all WS rows – knit

R3 – k2, yo, k1, yo, sm, k1, yo, k1, yo, k2

Pattern repeat:

R1 – k1, yo, (k3w) rep until marker, yo, sm, k1, yo, (k3w) rep until last 2 sts, yo, k2

R2 – k all sts dropping extra wraps

R3 – k2, yo, k to marker, yo, sm, k1, yo, k to last 2 sts, yo, k2

R4 – k

R5 – rep row 3

R6 – k

Work 30 repeats in total.

Work garter stitch for 6 rows.

Next RS row – k2, yo, (k3, yo) rep to marker, yo, sm, k1, (yo, k3) rep to last 2 sts, yo, k2.

Work 2 rows garter stitch. Bind off loosely.

Block shawl if desired. Shawl in photos is not blocked.
