FO (pic 2 above)

It's time to crochet the eggshell's edge. The egg edge is crocheted in the other direction compared to the chicken. Make sure that you have the white egg part against yourself when you start crocheting the edge of the egg. Change the first hdc to ch2 on the first round (pic 3).

\*(1hdc, 1dc, 1tr) in the first st, 1picot, (1tr, 1dc, 1hdc) in next st, sk 1st, (1sc, 1hdc) in next st, 1picot, (1hdc, 1sc) in next st, sk 1st, (1dc, 1tr, 1dtr) in next st, 1picot, (1dtr, 1tr, 1dc) in next st, sk 1st\* x4 End with 1sl st in the second chain.

Cut the thread but leave about 31 inches. Fold up the eggshell parts towards the yellow and set a pin in every picot (pic 6). Sew a beak and eyes (if you have not used security eyes). Look after that the eggshell's edge is okay where the face is. Sew the eggshell edge around the whole chicken. FO and you are finished!
