

Knit yourself: Poncho in stripes

Knit Knit season indispensable poncho.

Poncho in stripes

Size .: Onesize, lady.

Dimensions: Length of the center from the neckline to the tip: about 67 cm. **Yarn:** Oporto, 2 bunches of charcoal and 1 bunch each of the colors of coral, salmon, olive, beige, mint, orange and off-white from Wilfert's. **Quality:** 100% wool. 100 g = ca. 60 meters. **Needles:** circular needle no. 12 (80 cm). **Crochet hook:** No. 10 **Gauge:** 8 mi smooth on needle. 12 = 10 cm. Fits knitting tension not be tested with finer or coarser sticks. **Note:** The poncho is knit so as to knit with one color at a time. During a color change gather up stitches along the ends of the strip, which has just been knitted while the masks from the same stripe is at rest. Cast on 27 sts with coal gray on smaller needles no. 12. Work 7 rows stocking, beginning with the P-stick. Put stitches on a help line. With coral gather first 5 sts along the end of the charcoal gray knitted stripe, then turned 27 st, and the finish lines to create 5 sts along the other end of the charcoal gray stripe. Knit 7 rows stocking, beginning with the P-stick. Put the stitches from the coral-colored stripe on the help line. * Pick up 5 sts along the end of the strip, which has just been knitted. Then knit sts from using the thread from the previous stripe above the circular needle, and finally assembled new 5 sts along the other end of the strip, which has just been knitted. Knit 7 rows stocking, beginning with the P-pin * repeat from * to *, for a total of knitted 14 stripes (= 7 stripes on each side). After the coral colored stripe knit a salmon-colored, olive, beige, charcoal gray, mint, off-white, orange, salmon, olive, beige, coral and charcoal gray stripe. Note On the penultimate and last stripe cast off all the stitches in purl from wrong side. **Assembly:** Weave in all ends. With crochet hook no. 10 and charcoal gray crochet all around the neckline 1 round sc and 1 round crayfish masks (= dc crochet from left to right). Vapour piece gently through. If the edges of the bottom rollers, they can be in pressure during a few heavy books or the like.
